Subject: Cleanup the Willamette, protect our jobs

I've heard the EPA wants to get all pollution out of the river, but please make sure the cleanup doesn't harm jobs.

I am all for a clean river. We all enjoy visiting the parks and trails near the Willamette. But I also know that the river helps produce millions in wages for people and companies who work in the Portland harbor. Please be sure that your plan is good for them, too.

Please do what's right for the environment and the important work that happens in the Portland Harbor.

Sincerely,
